

THE ALL-NEW 2019
CHEVROLET SONIC

FIND NEW ROADS™

CHEVROLET

DESTINATION FUN

The 2019 Sonic doesn't just look good, it also offers advanced safety features, innovative technology and outstanding build quality.

The updated design features a new hood, front fascia, wheels and LED daytime running lamps. The Sonic offer a 60/40 split-folding rear seat, which means you can create a setup that works for you because you make the rules. The Sonic also comes equipped with Chevrolet's touchscreen MyLink Infotainment System as standard equipment, which is compatible with Android Auto and Apple Carplay for seamless smartphone Integration.

It's time to conquer the world and travel to destination fun with your new 2019 Sonic.
